BEGINNER CLASSES

OVERVIEW

You begin working with leather using traditional European saddle stitching. You learn to use leather hand tools. You learn pattern-making, making small leather projects, which include hand stitching, detailed edging, and finishing.

Students are interviewed over the phone or in person before acceptance.

GOALS

Leather hand tool use
Beginning pattern making
Cutting leather
Assembly, including zipper insertion and riveting
Traditional European Hand stitching
Finishing

PROJECTS

eye glass case
belt
zippered pouch
